

YECG**Task force for Young & Early Career Geographers**

IGU's Task-Force for the youth of today and geographers of tomorrow

Prof. Zoltán Kovács
EUGEO President

Prof. Massimiliano Tabusi
EUGEO General Secretary

December 13th, 2018

Subject: Patronage and support for the European Night of Geography

Dear Prof. Kovács, Dear Prof. Tabusi,

IGU's Young and Early Career Geographers' Taskforce (IGU-YECG) was launched on 22nd August 2016 at the IGC in Beijing, China. The taskforce's primary aims are to promote career development for early career geographers through mentoring, training and sharing; stimulate interdisciplinary, international and inter-generational research conversations between geographers and acknowledge and recognize achievements of early career geographers in the Global North and South.

Due to the IGU-YECG task force's above-mentioned goals, principally aimed at spreading geographical knowledge, we would be pleased to provide the patronage of the European Night of Geography, that will take place on 5th April 2019 throughout Europe.

Apart from providing support in disseminating the event within our network and in our media channels (website, facebook page, listserv), we can assure our support in stimulating European young & early career geographers to organize dissemination events in their cities.

Sincerely yours,

With best regards,

Dr. Komali Yenneti
Chair, IGU-YECG
